Items

I may not have much money, but I love to buy things. My parents say that I shouldn't spend it on things that I wouldn't be able to use in the future, but I don't listen to them. I always buy items for my video games. I might not play those games in the future. I buy things for video games because I spend a lot of my time on there.

THIS FEELS UNFINISHED

Imagine

BEAUTIFUL!

As I close my eyes, I awoke in this world. I saw my sword glow a bright white, as the sludge grabbed one of my hands I jump up to free myself. I was ready... Ready to kill the murderer of my best friend. I start to slash out of rage. It felt as if I was being controlled. I kept on slashing until I landed on the ground. I turn around and see the sludge in tacked. I was ready to start round two. As I was running towards the sludge I saw a white light emerging out of it. It started to fill up in light. Boom, back to reality.

THIS AWESOME!!!

"IN TACT" ?

KEEP THE SAME VERB TENSE

Where the Heart is

Home. Home is where the best memories are made. I love my home! It has 2 stories where 2 stories can be made. We have 4 bedrooms so that we can sleep without worrying about noises. My room is my space where I can be me. I have a computer to escape from problematic situations. Though my room is small there are memories to be made.

SO CUTE!

THIS FEELS LIKE A LONGER PIECE... KEEP GOING :)
