Autism Tree uses Little Green Light in our daily office operations to track information on all our families, volunteers, donors and everyone else who makes up our ATPF community!

The seven categories in the home screen are:

Home: An overview of events

Constitutes: All contact info is stored here

Fundraising: Everything money related is here

Activity:

Mailings: All mass emails can be sent here

Forms: Event RSVP's can be sent here

Settings: Configure data

\*We will be primarily be focusing on the Constitutes tab!
